Most positive review

This is the middle model of the three models that Amazon is shipping this year: the Kindle Fire HD, the Kindle Fire HDX (this tablet), and the Kindle Fire HDX 8.9. This is the successor for last year's Kindle Fire HD but with an updated operating system and new features, a redesigned shell (with the power and volume control buttons more readily accessible), an absolutely amazing display, superb sound, an included power adapter, and the new Mayday feature. See

Most negative review

So far so good, but recently one of the AA size batteries made by Amazon was totally dead. The others so far seem to be up to par, but I wish this dead one could have been eliminated before it was sent to me.

product	date	review_text	stars	sentiment score
AAA Alkaline Batteries (36 Count)	29/12/2015	2 out of the 8 batteries popped while on the charger. I got battery acid all over my hands trying to get them out and cleaned up.	1-stars	0.00
AA Alkaline Batteries (48 Count)	11/03/2017	3 of them exploted and damage my charger that I bought here what is going to happen with my charger not satisfied with the batteries	1-stars	-0.78
AAA Alkaline Batteries (36 Count)	28/10/2016	3/4 of the package have been duds. Lasted about 15 minutes. Now I get to go to the trouble to return them. When you shop with Amazon, it's to save time. This defeats that purpose.	1-stars	-0.03
AAA Alkaline Batteries (36 Count)	27/03/2016	All but about 4 were duds. What a waste of money.	1-stars	-0.57
AAA Alkaline Batteries (36 Count)	06/02/2017	Alot of the batteries were dead or very weak	1-stars	-0.82
AAA Alkaline Batteries (36 Count)	11/08/2017	As soon as i place the new battery in my card alarm, ut says 1 bar charged	1-stars	-0.49
AAA Alkaline Batteries (36 Count)	16/05/2017	Awful poor performance. My mouse ran for several weeks to several months from Duracells but have never gotten more that several days from these. Will not buy again.	1-stars	-0.61
AAA Alkaline Batteries (36 Count)	19/07/2016	bad product, not working in the remote car where it required 3 AA batteries.	1-stars	-0.54
AA Alkaline Batteries (48 Count)	26/12/2016	Bad quality, many of the batteries were blank, not charged. Some only lasted for a week or so.	1-stars	-0.44
AAA Alkaline Batteries (36 Count)	06/07/2017	Basic performance didnt last a week in an AM radio.	1-stars	0.00
AA Alkaline Batteries (48 Count)	30/08/2016	Batteries seem to have very short life.....	1-stars	-0.52
AAA Alkaline Batteries (36 Count)	18/09/2016	Bought a 20 pack to give them a try and found they dont hold up well in the tv remotes.... gone back to duracells	1-stars	-0.21
